

KOILIA MIKROS™

THE KOILIA MIKROS™ BELLY BOARD

Soft without any hard edges, for ultimate patient comfort.
Designed with you in mind.

Extremely lightweight at the core.

The Koilia Mikros™ Belly Board is an extremely lightweight, adjustable stabilization platform manufactured from advanced radio-translucent materials. Our unique design provides accurate positioning while minimizing uncomfortable pressure points. It can be customized into multiple configurations using the included modules.

FEATURES:

- › Indexable to treatment couch top with standard indexing bar in two locations
- › Easy to clean
- › Customizable patient setup using module set
- › Setup scale on both sides
- › Extremely light weight
- › Soft without any hard edges, for ultimate patient comfort
